

## BA (Hons) Accounting and Finance (Top-Up)

This degree will give you a thorough understanding of Accounting and Business concepts. It is ideal if you want to go on to be a professional accountant or work within the financial services sector. Even if you don't want to work in financial services, you will find this Top-Up degree valuable. Our Accounting and Finance (Top-Up) BA (Hons) has been closely mapped against the CISI's Introduction to Investment foundation qualification, helping you to prepare you for its exam, which can be taken at the University of Derby campus or at one of the CISI's global test centres.
