

## MSc Healthcare Management (Top Up)

The MSc Healthcare Management, online master's degree, is ideal if you are already, or would like to be, a leader or manager in a health or social care setting. You'll build on your existing experience and gain the knowledge, skills and emotional tools to help reach your full potential as a manager.

You'll study online giving you the flexibility to achieve your career aspirations around your other commitments.

### Documents required for enrollment: all in English:

- A copy of the passport or government ID
- A copy of profile picture
- A copy of the last academic certificate
- Transcripts for the latest academic certificate
- Proof of English language
- CV

### Entry Requirements:

- Level 7 Postgraduate Diploma such as OTHM Level 7 Health and Social Care Management
- Applicants without a Level 7 Diploma but holding significant managerial experience will be considered for Advanced Entry on a case-by-case basis.
- A good command of English (IELTS 6.0 or equivalent)

**English requirement:** If English is not the first language, learners require an IELTS (Academic) score of 6.0 or equivalent. Also, a free online English test is available for those who don't hold IELTS or any equivalent qualification.

MSc Healthcare Management (Top Up)	Study Mode	Duration
	Online	9 Months
